Re: In re Extradition of Hyuk Kee Yoo, No. 20 Mag. 2252

Dear Judge McCarthy:

On January 7, 2021, apparently without securing the Court's permission, our government has filed additional material from Korea in an effort to demonstrate that Keith Yoo is extraditable for embezzlement crimes. For the first time -- six years after its initial submission -- Korea argues that, under Article 253(2) of its Criminal Procedure Act, the statute of limitations was suspended for almost four years due to the prosecution of "other accomplices." We ask the Court for two weeks to respond to this new argument and to other material in Korea's submission. We hope to limit our response to six pages. I have spoken to AUSA Derek Wikstrom, and he consents to this request.

Respectfully submitted,

/s/ Paul Shechtman
